

# Salvation is forever!

*The Bible tells us that: "A person who believes in the Son, has eternal life" (John 3:36)*

All you have to do is believe that Jesus is God's Son, and that He gave His life to pay for your sins. Once you've told God that you believe this, and thank Him for this life-changing gift, you are saved from paying the price (*death*) for your sins, and you are promised eternal life in Heaven.

**When Jesus paid the price for your sins, it was for ALL your sins.....PAST, PRESENT, AND FUTURE.** So after you have received Jesus' gift of salvation, even if you sin again, you still have the gift of salvation. That won't be taken away from you. The definition of the word "eternal" is "lasting forever". If something is to last forever, then it is not possible for it to stop lasting when you do something wrong. You will probably suffer some consequences for your sin, but you won't lose your salvation.

You will probably suffer some consequences for your sin, but you won't lose your salvation.

## ***Repentance...does it help keep me saved?***

No! A repentant sinner is someone who is sorry for their sins, but the act of repenting does not save you. Only Jesus' death on the cross can save you. Repenting is a very good thing to do when you have done something wrong toward God or someone in your life, why? Because it should lead you toward asking for forgiveness, either from God and, or, the person you hurt through your unloving behavior. If you are an unsaved sinner, repentance prepares your heart for salvation. Matthew 3:2 is a good example of this; John the Baptist was telling the people of Israel to repent in preparation for the Kingdom of Heaven, or in other words, to cleanse their hearts for the One who was coming to save them.

The act of receiving Jesus as your Savior is what saves you.

**For God so loved the world that He gave His only begotten Son, that whosoever believes in Him should not perish but has eternal life. (John 3:16)**

The act of receiving Jesus as your Savior is what saves you.

**For God so loved the world that He gave His only begotten Son, that whosoever believes in Him should not perish but has eternal life. (John 3:16)**

Repentance is an act of being sorry for your mistakes and sins, it is not an act of salvation. Thinking that repentance will help keep you saved is a mistake.

Once you are saved, even though you sin again, while Jesus might correct you for it so that you learn the best way to live, He still loves you as one of His children, and nothing will make Him take His gift of salvation away from you.

Receiving salvation through Jesus is an act of faith done through confession and belief that He died for your sins. Romans 10:9,10 says: With thy mouth confession is made unto salvation and with the heart you believe that He did this by death on the cross.

Praying this simple prayer is the part you play in fulfilling God's precious promise of eternal salvation to you. "Dear Jesus, please come into my heart, I believe you died and were raised from the dead in payment for my sins and mistakes, please give me Your free gift of eternal life in Jesus Name, Amen".
